The contract consists of the complete removal of a 500-foot reinforced-concrete deck and the raising, propping, and anchoring of three 164-foot steel-truss spans.

Plans, specifications, and conditions of tender may be obtained from the Provincial Government Plan Viewing Room, 108, 501 West 12th Avenue, Vancouver 9, B.C. (telephone 879-7531), or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable.

Construction of this contract shall conform to the requirements of the applicable sections of the Department of Highways "General Specifications for Highway Construction." AND WHEREAS, to facilitate the installation of works, the Grantor has agreed to permit the construction by the Grantee of the aforementioned works on the said lands, to grant for that purpose the right-of-way hereinafter mentioned:

NOW THIS INDENTURE WITNESSETH that, in consideration of the sum of \$1, now paid by the Grantee to the Grantor (the receipt whereof is hereby acknowledged), and for other valuable consideration, the Grantor, for himself, his heirs, executors, administrators, and assigns DOTH GRANT unto the Grantee a right-of-way and the full, free, and unrestricted right and liberty to construct and maintain the aforementioned works in, over, and upon all and singular that certain parcel or tract of land and premises situate, lying, and being in the Municipality of Surrey in the Province of British Columbia and more particularly known and described as the south 10 feet of Lot 1, Block 25, Section 25, Block 5 north, Range 2 west, Plan 16376, NWD:

And to enter upon and have free and uninterrupted access for the purpose of repairing, cleaning, and otherwise servicing the aforementioned works, placed by the Grantee upon the said lands:

And it is mutually understood and agreed by and between the parties hereto that this indenture shall be construed as a covenant running with the land.

TO HAVE AND TO HOLD unto the Grantee, its successors and assigns, forever.

The Grantor hereby agrees that for the purposes of installing the works initially the Grantee may enter upon an additional 30 feet of the Grantor's property adjacent to the right-of-way.

The Grantor hereby covenants and agrees with the Grantee that the Grantor will not erect, place, or maintain any building or structure on any portion of the right-of-way:

And that the Grantor will not do or knowingly permit to be done any act or thing which will interfere with or injure the said works, and in particular will not carry out blasting on or adjacent to the right-of-way without the consent in writing of the Grantee, provided that such consent shall not be unreasonably withheld:

(d) will, as far as reasonably necessary, carry out the construction, maintenance, repair, and (or) replacement and renewal of the said works in a proper and workmanlike manner so as to do as little injury as possible;

(e) will repair any damage to the right-of-way occasioned by its use of the right-of-way.

It is mutually understood, agreed, and declared by and between the parties hereto that the covenants herein contained shall be covenants running with the land and that none of the covenants herein contained shall be personal or binding upon the parties hereto, save and except during the Grantor's seisin or ownership of any interest in the right-of-way and with respect only to that portion of the right-of-way of which the Grantor shall be seised or which he shall have an interest, but that the land shall, nevertheless, be and remain at all times charged therewith:
